Dear Chaplin Residents and Taxpayers,

The Board of Finance is pleased to recommend the following budget for the upcoming <u>Fiscal Year 2020-21.</u> We consider this budget to be financially sound and in the best interests of the Town's residents and all taxpayers.

The budget approval process will be very different this year due to limitations placed on public meetings under various Executive Orders issued by Governor Ned Lamont. Accordingly, the Board of Finance is now authorized to approve the FY 2020-21 Chaplin Town and Board of Education budgets pursuant to a resolution adopted by the Board of Selectmen on April 9, 2020. This resolution appears as Appendix A to this letter.

Highlights of this proposed FY 2020-21 budget are as follows:

- First and foremost, this budget maintains the current mill rate of 32.50 mills.
- A total Town Budget of \$8,883,373 has been approved by the Board of Finance.
 - o This represents an approximate 2.48% increase from the current FY 2019-20 adjusted Expenditure budget.
- <u>Total Revenues are projected to be \$9,060,432</u> based on the Governor's proposed budget, which was submitted to the Legislature in February 2020.
 - o This represents an approximate 2.33% decrease from the current FY 2019-20 adjusted Revenue budget.
- A budget surplus of \$177,059 is projected which will be added to the Town's Unassigned Fund Balance.
- **The Town's Unassigned Fund Balance is projected to be \$1,235,855** at fiscal year end (June 30, 2021).
 - This represents 13.91% of Expenditures, which exceeds the recommended range of 10-12%, but which will likely be needed in the next 1 to 2 years for additional infrastructure and bridge repairs.
- PLEASE NOTE COVID-19 Statement: The Board of Finance anticipates that there will be a financial impact of the COVID-19 pandemic due to economic dislocations. The impact may manifest itself in reduced tax revenue, reduced State funding, or in additional expenditures. The magnitude of the impact cannot be estimated at this time. However, \$200,000 of the Unassigned Fund Balance (approx. 1 mill) has been earmarked to address any potential negative impact on the budget from COVID-19.

A Budget Executive Summary follows this letter and this entire budget document is published on the Town web site. Printed copies will be available at the Town Hall, Library, and Senior Center when these town offices reopen. The budget document itself provides additional detail for the current year's <u>adjusted FY 2019-20 budget</u>, the <u>proposed FY 2020-21</u> <u>budget</u>, and an <u>"estimated" FY 2021-22 budget</u>.

With approval of this budget for FY 2020-21, Chaplin will be in an excellent position to continue providing essential services, quality Education, enhanced Public Safety, and improved infrastructure to its citizens. In short, we can expect to continue enjoying the excellent quality of life that has drawn us to this fine community.

In closing, on behalf of the Board of Finance, I wish to thank the various Town agencies, the Board of Education and Administration, and our elected/appointed officials for their cooperation throughout this budget process. Finally, I extend the Board's gratitude to our Town Hall staff for their many hours of gracious assistance in preparing this budget for presentation to you.

Executive Summary for Town Budgets in FY 2019-20, Proposed for FY 2020-21, and Estimated for FY 2021-22

The intent of this Executive Summary is to inform the public about the current fiscal year budget performance and also to highlight factors having the potential to affect Chaplin's FY 2020-21 budget and overall financial position.

FY 2019-2020 Budget Performance (Current Year):

Revenues vs. Expenditures:

- Current projections now indicate that the town government budget will show a surplus of approximately \$607,813 by June 30, 2020.
- This projection is based on current expenditure rates and does not account for any as-yet-unknown potential one-time additional expenditures.
- o This compares to a projected surplus of \$578,303 when the budget was formulated last year following approval of the State budget for FY 2019-20.
- Higher than anticipated tax collections, and State funding, are largely responsible for the positive change in budget performance.

Significant Capital Equipment planning and Infrastructure upgrades during the current year:

- o Approximately \$231,750 was invested in the paving, repair and chip sealing of the Town's roads.
- O A new pickup truck was purchased for approximately \$45,000.
- o The North Bear Hill Road drainage and infrastructure project was completed following a planned transfer of \$500,000 from the General Fund to the Capital Projects Fund.
- A total of \$80,000 was appropriated for sidewalk replacement and parking lot repaying at the Town Hall.
- O Additional capital funds in the amount of \$116,000 were set aside for vehicle and equipment replacement, infrastructure repairs, and tree removal.
- o At Chaplin Elementary School, a chain link fence was installed around the pre-K playground and the gymnasium wall foam safety panels were replaced at a total cost of approximately \$20,000.

The Town's General Fund Balance:

- The Unassigned Fund Balance was \$1,300,983 at the beginning of this fiscal year 15.63% of Expenditures.
- o The Board of Finance has Committed/Assigned the following Fund Balances:
 - Committed-Purchase of replacement SCBA system for the Fire Department \$150,000
 - Assigned-Potential future transfer for replacement of Bedlam and England Road bridges: \$500,000
- The Unassigned Fund Balance is projected to be \$1,258,796 at the end of the fiscal year 14.52% of Expenditures.

FY 2020-21 (Board of Finance Proposed Budget to be approved for next Fiscal Year):

Mill Rate:

- The October 2019 Grand List decreased by \$4,316,930 or 1.98%. This decrease was mainly due to depreciation of recently installed equipment at the Algonquin gas transmission station and pipeline on Tower Hill Road. This depreciation of equipment will continue to negatively impact the Grand List for the next several years.
- The Board of Finance recommends that the current mill rate of 32.5 mills be maintained for FY 2020-21.

Revenues:

- o Under the Governor's budget proposed in February 2020, Chaplin's Education Cost Sharing (ECS) grant would be *reduced by approximately* \$70,000 in FY 2020-21. With the Board of Finance proposal to keep the mill rate at 32.5 mills, local tax revenues are projected to decrease by approximately \$141,000 or 1.98%.
- A budget surplus of \$177,059 is projected. This extra revenue will offset the projected loss of State funding and also will be directed toward much needed infrastructure repairs and equipment replacement.

Expenditures:

- The total budget is \$8,883,373 with an overall budget increase of \$214,882 or 2.48%.
- o The budget funds current Government Operations and Capital Projects with these changes from FY 2019-20:
 - Govt. Operations: A budget of \$2,072,255 an increase of approx. \$67,493 or 3.67%.
 - Capital Projects: A CIP Fund budget of \$382,694 a decrease of \$121,044 or 24.0%.
 - Funding is continued for significant road maintenance of \$238,700 plus an additional \$176,000 for vehicle
 and equipment replacement, drainage and infrastructure projects, tree removal, and Library/Senior Center
 parking lot paving.
 - A total of \$150,000 is also included for replacement of the Fire Department's SCBA system, which is required to meet NFPA standards.
 - A second installment of \$10,000 is also funded for the Chaplin 2022 Bicentennial Celebration.
- o The budget funds both the Chaplin Elementary School (CES) and the Parish Hill Middle/High School (RSD11) budgets with these changes from FY 2019-20:
 - CES: Budget of \$3,837,593 for an increase of \$93,600 or 2.5%.
 - RSD11: Total budget of \$6,484,695 for an increase of 0.97%.
 - Chaplin's RSD11 assessment is expected to increase dramatically by \$2,581,694.
 - ✓ This increase in the assessment is largely due to an increase in the percentage of Chaplin students enrolled at PHMS/HS (37.45% up to 40.08%).

The Town's General Fund Balance:

The Unassigned Fund Balance is projected to decrease to \$1,235,855 – 13.91% of Expenditures at the end of the fiscal year. Please note that this projection cannot account for uncertainty in tax collections or funding from the State budget.

FY 2021-22 Budget (for Estimation purposes only):

Factors likely to affect the FY 2021-22 budget follow. While many of these factors are simply *best estimates* based upon stated assumptions, taken together they do provide a general picture of the budget fundamentals for the year. Assumptions about the Mill Rate, Revenues, and Expenditures are as follows:

Mill Rate:

The Board estimates that the mill rate of 32.50 may increase to 33.50 for the fiscal year due to increased costs and a continuing decrease in the Grand List for Personal Property. However, the board intends to avoid a mill rate increase as long as reasonably possible and financially prudent.

Revenues:

- Tax and other local revenues are assumed to increase slightly by approximately \$52,928 or 0.76%. The Grand List for Real Estate & Personal Property is projected to continue decreasing gradually due to depreciation on the Algonquin and Eversource personal property accounts. Motor Vehicle values are projected to increase by 1.20%.
- State revenues are assumed to decrease as proposed in the Governor's February 2020 budget. However, any further reductions in the State budget for municipal aid will require a reassessment of our own budget priorities.

Expenditures:

- o Govt. Operation costs are estimated to increase by 2.0%.
- Capital Project costs are estimated to remain level in accordance with the Capital Plan (CIP) for FYs 2021-25.
- o The combined education budgets for CES and PHMS/HS are assumed to increase by 2.5% due to continuing cost pressures. Chaplin's RSD11 assessment for FY 2021-22 cannot be accurately estimated at this time.

The Town's General Fund Balance:

- o A slight budget surplus of \$20,587 is estimated.
- o <u>The town's Unassigned Fund Balance</u> is estimated to increase modestly to \$1,256,441 approximately 13.83% of Expenditures as of June 30, 2021.
- Please note that this estimate excludes, by necessity, a large number of unknown factors on both expenditure and revenue sides.
