Hi Dick,

I hope all is well.½ Attached are the totals from the 2020 Grand List.½

The overall Grand List saw a 2% decrease (same as last year).½ The main reason for the decrease was for the personal property located at Algonquin depreciating another year.½

Both the Real Estate and Motor Vehicle portions of the Grand List saw an increase over the 2019 Grand List.½ This helped offset the overall decrease with this year's Grand List.

Please let me know if you have any questions or need additional information.

Take care,

Chandler
